

This diagram illustrates a multi-channel cable assembly. A central core, labeled 3, is surrounded by a series of twisted pairs. The pairs are labeled 4, 5, 6, 7, 8, 9, 4', 9', 8', 7', 6', and 5' from left to right. The core 3 is shown with a textured, possibly braided, surface. The twisted pairs are shown as lines that twist around each other. The entire assembly is enclosed in a rectangular frame, with an arrow pointing to the right side of the frame.
